

## 7th World Conference on Photovoltaic Energy Conversion **EXHIBIT & SPONSORSHIP**

It is our pleasure to invite you to join us at the 7th World Conference on Photovoltaic Energy Conversion (WCPEC-7), June 10-15, 2018 at the Hilton Waikoloa Village in Waikoloa, Hawaii.

The World Conference is a unique event that brings three of world's most prominent international photovoltaic technical conferences together. The Photovoltaic Science and Engineering Conference (PVSEC), the European Photovoltaic Solar Energy Conference (EU PVSEC) and the IEEE Photovoltaic Specialist Conference (IEEE PVSC) merge into a global photovoltaic energy technical forum.

You won't want to miss exhibiting at this premier event where you can meet with over 1500 key scientists and engineers on the forefront of photovoltaic research and development. You will find unparalleled networking, exposure, and lead-generation opportunities at the WCPEC-7 Conference and Exposition.

Sign up now for one of the many opportunities or contact us to discuss a package customized to your company's needs!

### **WHY ATTEND?**

- Reach the audience of three different PV scientific communities.
- Attendees are looking for the latest products, technologies and services for their projects.
- Connect with technological leadership from industry, academia and government as well as with noted researchers and scientists.
- PVSC attendees are there to evaluate solar cell and PV- related product technology.
- Access your target audience where they gather to find solutions they can implement immediately.
